

# Support for Real Estate Developers

## Real estate project on plots serviced by municipal infrastructures

**!** Please save this form to your computer before completing it.

### Obligation to secure the required authorizations

**This document does not constitute an application for a permit and/or a certificate.**

The developer support process does not exempt you from the obligation to secure any municipal permits and/or certificates or any other government authorizations that may be required.

The right to secure any permit or certificate must be reviewed taking into consideration any amendments to municipal bylaws or any other government authorizations.

### To submit an application

First, you must complete the preliminary analysis before submitting your application and must ensure that your project meets the eligibility criteria. The details are available at

<https://lavaleconomique.com/en/strategic-consulting/investissement-immobilier/projet-desservis-infrastructures/>

### Location of the project

Address:

Cadastral lot number(s):

### Information on the project

<b>Total</b>	<b>0</b>	<b>0</b>

**Provide the calculation of the parking ratio:**

## Safety

Will blasting work be carried out?

Yes  No

## Signature

Name:  DD  MM  YYYY

Please sign in the above box using your first name followed by your family name and the date. A handwritten signature is not required.

### Authorization to Publish on the Laval économique Website

The developer authorizes Laval économique to publish on its website, in the “Real Estate Investment” section, information related to the project that has benefited from the Support for strategic real estate projects Service, once all required permits and authorizations have been obtained.

The sole purpose of the publication will be to present, in a neutral manner, projects that have benefited from the support services offered by Laval économique, highlighting the territory’s vitality. The information disclosed will be limited to the following elements: building type, project name, location, number of units or floor area, tenure type, and a link to the project website, where applicable.

This visibility will be offered to all projects that have benefited from this service.

- I authorize Laval économique to publish information related to my project in accordance with the terms outlined above.
- I do not authorize Laval économique to publish information related to my project.

Developer Name:

Signature:  DD  MM  YYYY

## Mailing instructions

Please send your completed form and all the required documents by email to the following address: [guichet.immobilier@laval.ca](mailto:guichet.immobilier@laval.ca).

An acknowledgement of receipt of your documents will be sent to the project manager’s email address, as provided in the Contact section.

### Lobbyist

Definition:

Any person who, on behalf of a client, business, or organization, communicates with, among others, a municipal employee for the purpose of influencing a decision, whether in writing, by telephone, or in person.

Pursuant to the *Lobbying Transparency and Ethics Act* (RLRQ T-11.011), we remind you that **any party involved in a request under the Support for Real Estate Developer Program must provide proof of registration in the Lobbyists Registry in relation to the project covered by this request.** This requirement is intended to ensure transparent and appropriate communications between you, your professionals, and City representatives.

For more information, please consult the following websites: [Carrefour Lobby Québec](#) and [Lobbyisme Québec](#)
